

Inside Richland County, offers participants an overview of issues, opportunities and challenges currently facing Richland County. Using the community as a classroom, participants will travel to venues throughout the county providing an overview of:

- Economic Development
- Health & Human Services
- Agriculture
- Tourism
- Arts
- Politics

While not a substitute for the *Leadership Unlimited* experience, Inside Richland County's snapshot of the community is beneficial for individuals with limited schedule flexibility (e.g. retail, educators, and medical professionals). The program is designed for a maximum of 20 participants willing to attend both scheduled class meetings.

Inside Richland County also serves as a great refresher for LU graduates who would like to reacquaint themselves with issues and opportunities in our county.

Dates: May 1st and 8th

Times: 7:45am to 5:00pm
