

Leadership Levelland

Leadership Levelland is a program offered by the Levelland Chamber of Commerce to any interested citizen who lives or works in Levelland and is a member of Levelland Chamber of Commerce. The purpose of the Leadership Levelland is to provide quality leadership training to motivate and encourage civic leaders and to develop personal leadership characteristics and skills within individuals. Leadership skill topics are taught with active participation along with numerous field trips to obtain more knowledge about the many diversified industries that affect our economy.

Leadership Levelland will inform the participants about Levelland's history, government, social needs and opportunities and existing processes. Participants will be introduced and encouraged to establish dialogue with each other and the current leaders of Hockley County. The intent is to encourage attendees to be engaged in future activities that contribute to the growth and betterment of the Levelland area. In addition, this class will provide current and future employers with a source of knowledgeable and trained leaders who will have a positive impact on the community, region and state.

The Leadership Levelland 2017-2018 program will take place from September 2017 through April 2018. To graduate from Leadership Levelland, each participant is required to attend orientation, six 1-day long training sessions and the teambuilding retreat that requires a one-night stay at Ceta Canyon Retreat Center. Only one absence is allowed and the retreat cannot be missed. Participants must attend all portions of a session in order to receive credit for that. Please see attached schedule for exact dates. Tuition will not be refunded if the participant does not complete the program.

Tuition is \$975 and will cover all expenses including transportation, classroom activities, presenters, meals, official Leadership Levelland shirt and other program supplies.
