Chamber's 2019-2020 Community Profile & Business Directory

Fishersville, May 9, 2019- Annually produced by the Greater Augusta Regional Chamber of Commerce, the Community Profile & Business Directory is the go-to guide for area demographics, community information, tools and resources for relocating or visiting the Staunton, Augusta County and Waynesboro region. The publication is used for relocation packages for potential new residents, distributed to new employees, and on display in lobbies and in brochure racks of businesses all over our region.

"City National Bank finds the Community Profile & Business Directory provided by the Chamber an important resource for the Bank. Not only does it contain a directory of local businesses and organizations, but it also offers information about area events, community profiles, local history and more!" says Courtney Thompson, Cash Management Officer.

"Our Chamber serves the communities of Staunton, Augusta County, and Waynesboro. We worked really hard in this new issue to provide some stories of local business and industry that build on our rich heritage but tell the stories of today. These stories give newcomers and those looking to relocate a great first impression of our amazing regional community." says Annette Medlin, President & CEO, Greater Augusta Regional Chamber of Commerce.

The community is welcome to pick up a copy of the Community Profile & Business Directory at the Chamber office, 19 Briar Knoll Court in Fishersville.
