

## *I LIKE TO ALIGN MY BRAND WITH **COMMUNITY***

So often our members tell us that being engaged with the Chamber helps them engage with their community. We know that what we do for our members ends up having a broader impact on the entire community. The “plus” component for you may be to align with programs and events that have the biggest community message.

---

### **Event Details:**

May 8, 2020

Attendance: 100

Each year, the Chamber in partnership with Staunton, Waynesboro, and Augusta County Economic Development presents the State of the Metro to highlight trends, speak to issues affecting the economy and garner wisdom from economic experts to look ahead at the emerging business climate.
