

## **ADVOCACY IS IMPORTANT FOR MY BRAND**

When it comes to issues, the Chamber is THE voice of business. We like to say that while you are taking care of your business every day we are in the “business, business”. We are constantly reviewing issues and looking for ways to advocate on behalf of the business community and we have created a range of activities that allow you to showcase your business in connection with business advocacy.

### **Pig Pickin' & Politickin'**

#### **Event Details:**

2019 Date: September 24, 2019

The Club at Ironwood

Attendance: 100

Mix, mingle, and get to know your elected officials and candidates for office! This is an opportunity to discuss issues face to face with incumbents and those seeking election. There will also be a candidate forum for State-level races that will give you an opportunity to hear from the candidates. Don't miss this unique networking event with music, great barbecue and LOTS of handshaking! (This is NOT a partisan event. All are represented.)
