

MY FOCUS IS EDUCATION

One of the direct responsibilities of the Chamber is to be a conduit for education. Education of all kinds! We provide business education that introduces businesses to tools that will help them be more successful, we help create strong community leaders through leadership education, we connect business to youth education through scholarship programs and other youth education efforts, and we host conferences that provide a forum for learning new skills for both personal and business success.

Women of Influence Network
WIN
Power Summit

Event Details:

April 21, 2020

Time: TBD

Attendance: 100

A half-day powerhouse event that brings together accomplished female leaders, corporate executives, business owners and young professionals to share insights, exchange ideas and empower their careers. The conference includes a keynote presentation, networking brunch and workshops. In addition, a trade show featuring local organizations and businesses provides the backdrop to the activity of the conference!
