Proudly Serving All of Barton County and Surrounding Communities.

The mission of the Chamber of Commerce is to promote progress in Barton County through Business and Community Development.

Our Goal is to lead our community, drive commerce in our region and advance community and regional collaborations, thereby enhancing the quality of life and working together to create a vibrant economic climate.

Since the inception in 1918, the Barton County Chamber of Commerce has gone through a few structural and name changes. However, one thing has remained the same, it is member-supported organization of business, industrial and professional people who are addicted to developing, promoting and maintaining a sound and healthy economic climate for our Community. The Chamber is a non-profit organization with over 250 members working together to enhance the Barton County business community.

When you join the Barton County Chamber of Commerce, you are investing in your future. Through the Chamber, you can broaden your business contacts and referrals, enhance your leadership and professional skills and participate in projects that make a difference for you individually and professionally.
