FAIRWAY KNOLL SENIOR LIVING -- a Foundation of Faith and Experience!

Fairway Knoll is a brand new, non-profit, month to month rental community for older adults who want the independence of choices, yet live somewhere where security and assistance is offered if it's needed. Fairway Knoll is built on the experience of Presbyterian Homes & Services. Our mission is "To honor God by enriching the lives and touching the hearts of older adults," which drives everything we do and have done for over 60 years. The employees serving Fairway Knoll are caring and compassionate, foster a nurturing environment and provide more choices/opportunities for older adults to live well.

Fairway Knoll is situated on a 30-acre site of natural grasses and wetlands. The campus sits atop a lush 18-hole golf course, with sweeping views of nature. Conveniently located on Mequon Road, the community offers Independent, assisted and memory care living options.

Fairway Knoll provides a high-quality living experience at affordable prices, with a wide variety of amenities and services. Residents can participate in on campus social events and gatherings with the added convenience of the Town Center gathering spaces and services just steps away. The attached 24,000 square foot Town Center with it's grand two-story foyer is the community focal point, offering a full range of amenities, to meet most every request.
