Dr. Cari Witzlib is a Gonstead Chiropractor. She loves helping women and children achieve health holistically. Chiropractic care is for the whole family. It is a very gentle, safe and effective way to restore optimal function to the nervous system for everyone especially, children.

I am a member of the Germantown Chamber because it is a great way to get to know the people in my community. The chamber helps keep me up to date on new developments that are happening in the community and how I can support small business in my area.
