Located in historic downtown Germantown, Saxony Village Apartments offers features that will meet every need, from modern floor plans to outdoor activities. We happily offer one, two, and three-bedroom apartments as well as studio-style units. Our features include modern granite countertops, stainless steel appliances, large walk-in closets, energy-saving LED light fixtures, keyless entry, and much more. Our underground heated parking is especially helpful in Wisconsin winters! Onsite storage rental units provide a safe, locked space for additional belongings.

Private balconies and a paved walking and running path provide easy access to nature on sunny days. During the fall, exploring the nearby wooded nature trails is a perfect way to enjoy the beautiful fall colors we have in Wisconsin. Here at Saxony Village Apartments, pets are certainly welcome. Our pet-friendly community comes fully equipped with a fenced-in pet exercise area and dog wash stations to keep your furry friends clean and happy.

Check out our clubhouse with a fitness facility, covered patio and recreation area, community grilling station, and a fire pit for all residents to use and enjoy. The Saxony Village Apartments is a growing community, and one that is loving downtown Germantown and all it has to offer.

*JBJ Companies, Inc. has been a trusted name in building, development and property management for 60+ years in Southeastern Wisconsin. Quality control and customer service are the foundation upon which the company was built and continues to be our number one priority.*
