Norwex Sales Consultants for Norwex Products

Norwex believes in CLEAN

For twenty-five years, we have helped homes across the world become truly Clean through our Mission of radically reducing chemicals.

Solutions for Healthy Homes

From our flagship microfiber with Baclock to our superior cleaning agents, our innovative products provide real solutions to everyday cleaning problems for the way your family cleans.

Solutions for Healthy Families

Reducing chemical in our homes goes beyond cleaning. Our line of personal care products allows us to keep our families healthy with solutions for all ages from baby to adult.

Solutions for a Healthy World

By choosing to reduce waste from everyday things like paper towels and plastic wrap, Norwex families everywhere are living more sustainably.

Furniture

If you have furniture pieces you love but they need repair, touch-up or complete refinishing, let us make them new again.

Custom made furniture and special pieces for funeral homes.
