See Good Things

While both MCG Careers offices in Okotoks and High River are closed to the public, we are offering appointments to job seekers over the phone and utilizing technology to assist with resumes, cover letters, job search supports, interview skills and referrals.

The Experience Counts Program is still being offered to individuals who are 50 years and over. The next session is to begin April 13, 2020. This will be through a remote process. For more details contact our offices.

To our valued employers in the Foothills, if you have upcoming employment positions that you are looking to fill, we are able to assist with posting your jobs on our website, sharing job descriptions with coaches and appropriate clients.

All of our services and supports are at NO cost.

We extend our appreciation to all our partners in the Foothills for your care and collective efforts as we work through challenging times.
