

MARKETING FOLDER

Every year the chamber hands out hundreds of New Resident Welcome Packets. We use a high gloss white folder with the chamber logo on the front, for these packets. We are now offering a special marketing opportunity to 4 businesses! Your 4" X 5" ad can be placed on the back of the folder for all new residents to see!

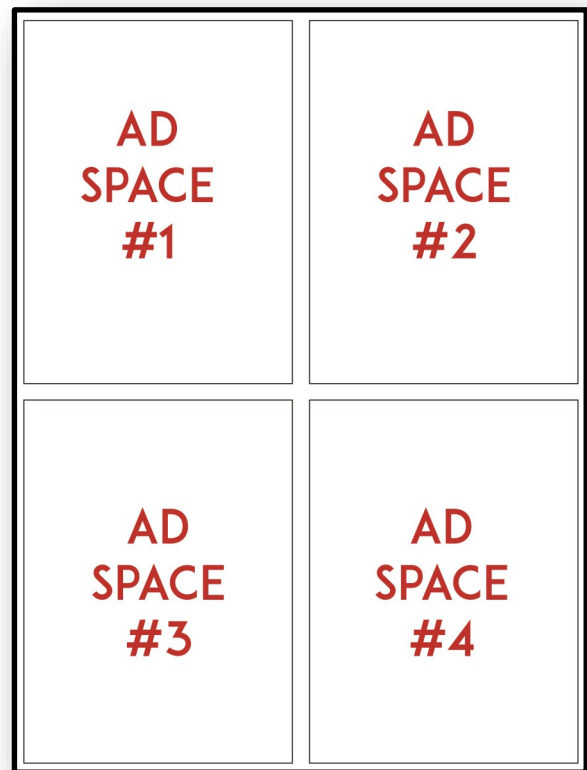

This opportunity is available on a first come basis. This \$500 sponsorship will include your ad printed on 2500 folders.

Folders are used for New Resident Welcome Packets, New Member Packets and Leadership Owasso Participants. These folders will be used until they are gone. (typically 2-3 years) Advertisers will have first right of refusal when the time comes to print more folders.
