

Business over Breakfast and **Business after Hours** were developed as Networking Programs to assist in developing business relationships within our member community.

These events are held on the **Second Tuesday** of each month, **7 times** each year. This is a great way to get new faces in your place of business. We do not hold these networking events during the months of January, July, August, November or December.

The **Host Sponsor** chooses whether to hold Breakfast or After Hours and is responsible for **providing** the **venue, food** and a few **door prizes**. The sponsorship fee covers the Chamber's expense of marketing the event.
