

2018 CHAMBER SERVICE AWARD

Presented by Chris Wheeler

I have the privilege of presenting the 2018 Chamber Service Award.

Chambers of Commerce are volunteer driven organizations. From Board and committee members, to our outstanding chamber ambassadors, volunteers are the backbone of our chamber.

Today, we recognize a lady with a wonderful personality who exemplifies the spirit of volunteerism. She is a chamber member and small business owner. In 2018, she assisted in numerous chamber activities. She greeted and seated guests at our monthly membership luncheons, during our legislative luncheon series, and even at today's Annual Luncheon. During our Annual Auction & Casino Night, she assisted with the set-up, greeted guests, assisted with the silent auction, and helped with clean-up. She played a major role in making our Annual Shop Small Owasso program a success. **She is the vice Chair of the Owasso Ambassadors. In 2018, she attended every monthly ambassador meeting--perfect attendance. She also showed her dedication by attending the most ribbon cuttings and Ambassador functions throughout the year.**

She has a great personality, she's fun to be around, and she's a great ambassador for the Owasso Chamber.

Ladies and Gentlemen, please welcome the recipient of the 2018 Chamber Service Award, the owner of Moore's Reflections, Deronda Moore.
