

2018 CHAMBER COMMUNITY ENHANCEMENT AWARD

Presented by Ray Adcock

Our next award is the Community Enhancement Award.

Today, we recognize a special couple that has fulfilled a long-term dream of opening a business, in Owasso. They grew up here, graduated from Owasso High School, got married, made Owasso their home, and raised a family. They met in the 80's while working together at Rick's Rollerina, in Owasso. Their dream has always been to open their own skating rink and provide high quality family entertainment, in a safe Christian environment.

During the past two years, their dream has come true. The opening of Wheels and Thrills Entertainment Center is now providing fun-filled entertainment for kids of all ages. Their 26,000 s/f facility provides a 75' X 150' skating rink, Game Arcade, Laser Tag, Indoor Playground, and Café.

Wheels and Thrills is located just East of Garnett and 106th St. North. This couple loves kids, families, and their hometown, Owasso.

Ladies and Gentlemen, please welcome the recipients of the 2018 Chamber Community Enhancement Award, the Owners of Wheels and Thrills, Robert & Tammy Johnson.
