PROGRAM OVERVIEW

Shop Small Owasso has continued to grow each year since it's inception in 2014. The event originally began as a way to draw more customers in to our local retail & restaurant businesses. Our belief is that consumers get in to a pattern and sometimes they don't realize all of the wonderful small businesses right here in Owasso because it might not be in the area they frequent the most. Shop Small Owasso helps introduce the community to businesses they may have otherwise never known about. Our goal is to get them to your business. Your amazing customer service and product is what will bring them back again!

PARTICIPATING BUSINESSES

As a passport business, there are 2 ways to be involved. You choose the path to take, regardless of the category you fall in to.

1. Retail Business - This is geared toward retail & restaurant. Customers MUST make a purchase at your business in order to receive a stamp in their passport.
2. Service Industry - This is geared toward any small business that either doesn't have a product to sell on the day of the event, or maybe your goal is to make a great first impression and generate leads.

WHY IS THIS EVENT SO SUCCESSFUL?

Our sponsors are the reason this event has been such a huge success! Businesses can choose to sponsor a cash prize or two, or they can come in at a higher level for greater exposure. Families tell us every year, how much fun they have spending the day shopping together and collecting passport stamps. They love learning about new businesses, hoping the prize patrol will spot them and trying to win cash & prizes right before Christmas! Sponsorship levels begin at \$50.
