

Unique Sponsorship Opportunity

The Chamber has a great opportunity for your business to sponsor the Shop Small Owasso Passport Event on Saturday, November 25th.

Consumers are encouraged to shop at participating businesses*. They will receive a passport from the first business they visit. Every time they make a purchase at a participating business, they will receive a stamp in their passport. They will drop off their passport at the final business they visit, to be entered to win great prizes from each business they shopped at.

Each business will have a grand prize item valued at \$50 or MORE. Drawings will be held the following week to award the grand prizes. There is no limit to the number of times one consumer can win.

During this event, our Prize Patrol will be using their passports. We will be surprising some of them with \$50 Cash! By becoming a Prize Patrol Sponsor, we will have posters with your business logo as we sneak around town and give away these prizes just in time for Christmas. Video and Pictures will be captured of each winner holding a sign stating the name of the business responsible for their winnings!

It's easy and affordable to become a Prize Patrol Sponsor. Each sponsorship is only \$50. You choose how many \$50 cash prizes you would like to sponsor and we take care of the rest. The more you choose to sponsor, the more times we can share your name along with video and pictures on social media. Use the QR Code to sign-up.
