FOR IMMEDIATE RELEASE

January 14, 2019

Public Meeting to be held at the City Hall (690 Chesterfield Pkwy W.)

The City of Chesterfield has announced a Community Kick-Off event on Tuesday, January 29 at City Hall for the Comprehensive Plan Update project, "*Envision Chesterfield.*" Hosted by the City of Chesterfield and planning consultant Town Planning and Urban Design Collaborative, LLC (TPUDC), the purpose of this meeting is to provide residents, officials and stakeholders with an understanding of the project and the process by which it will be completed.

Envision Chesterfield is a project of the City of Chesterfield with the goals of engaging the community to identify its desired vision for the City's future, identifying community priorities, and articulating strategies to address those priorities. The Comprehensive Plan will be a key policy and action document for the City, to be used by staff, government agencies, economic development entities, elected officials, boards and commissions, developers, property owners and residents as a guide for future land use development, capital investments, and growth management decisions over the next 20 years and beyond. It is hoped that the updated Comprehensive Plan will guide growth and development in an organized, efficient, and sustainable manner. To do so, it will look to the future to anticipate trends and issues that could impact how growth and development occur. The plan is long range in scope, focusing on the ultimate needs of the community rather than the pressing concerns of today.

Extensive public participation is a key component of the Comprehensive Plan update, and the thoughts and ideas of the community are vital to the success of the project. Over the next year, several public meetings will be held to gather input and feedback on the Plan as it is developed.

The first event, the Community Kick-Off Meeting, begins Tuesday, January 29 at 6:00 p.m. at the City Hall (690 Chesterfield Pkwy W.). The public is invited to join City staff and TPUDC to learn about the goals of the *Envision Chesterfield* project, provide input, and help build excitement in the community.

A more hands-on public event called Planapalooza™ has been scheduled for March 28-April 3. Project updates and future public engagement tools can be found at www.envisionchesterfield.com. The community can also follow the project on social media for project updates – Facebook: @envisionchesterfield
