

NEW BENEFIT OFFERED TO CHAMBER MEMBERS.

Trak-1 is a **NAPBS Accredited Member**

EMPLOYMENT BACKGROUND SCREENING

In an uncertain world, Trak-1 provides security by enabling organizations of all sizes to accurately and responsibly assess human risk and improve decision making.

Our clients rely on our unsurpassed data quality and return time, leading-edge technologies, deep industry experience, true commitment to compliance, and respect and dedication to both them and their applicants. In short, our clients experience increased profits, reduced risk and improved efficiency through Trak-1 solutions and products. *Your solution is here...with at least a 12% discount for your business! That's even better!*

Your Business Can Use Trak-1 to:

- Establish an **accredited and compliant** way to screen potential or current employees.
- Verify education and employment history.
- Increase workplace safety and minimize loss.
- Assess credit history to avoid financial improprieties.
- Check driving records and access criminal records.
- Conduct other types of screening including residential and volunteer.

Your Business Will Receive:

- Clean, easy to read online PDF reports...for better informed decisions.
- Fast turn-around times...with many results instantly.
- Adverse action letters built right into the system... how are you handling this process?
- Local, LIVE customer support.
- User friendly web-based system, available 24/7.
- No monthly minimums, no monthly support fees.

At least a 12% discount to all Chamber Members!
