Mass Audubon's Natural History Day Camp in Chatham

Based at Chatham Elementary School, camp is designed to promote a child's innate curiosity and excitement for the natural world. Themed weekly sessions have campers ages 4-13 exploring trails, discovering tidal flats, catching frogs, experimenting with science, and venturing to new places. Small group sizes ensure a caring, supporting environment. To learn more and to register, visit massaudubon.org/chathamcamp or call 508-349-2615.
