Session 1 Biz Hacks & LinkedIn UNLEASHED **June 12, 8:30 to 11 am**

Presenter: Sarah Kowal, Right Now Enterprises

Sarah Kowal, Founder of Right Now Enterprises, advises creative and passionate small business owners and managers to lay solid business foundations. Her expert services bring business dreams to fruition through business strategy, budget planning, benchmark analysis, and staff training (among other things).

In this hands-on workshop, learn shortcuts and technology tricks using common business tools that will make you and your company look like a pro. Sarah will also provide LinkedIn insights and tips. Participants are encouraged to bring a computer or tablet to the session.

Living your Strengths using StrengthsFinder® 2.0 A two-part workshop on Strengths Development *Online assessment must be completed prior to attending*

Presenter: Nancy Lee Gauche, Gallup Strengths Coach, Nancy Lee Gauche Consulting

Nancy will help identify and develop your gifts by using the Gallup online strengths assessment. Discover what strengths you bring to the table by taking the online assessment BEFORE the workshop with the code included within the StrengthsFinder 2.0 book. If you already have taken the assessment, bring your previous results with you.)

Session 2 Discover and Develop your Gifts! **July 17, 8:30-11am**

Discover, develop and apply your talents to assist you in your personal and professional development. The most effective leaders today are investing in their strengths. You'll be introduced to the strengths philosophy and identify your top 5 strengths. Then we'll work together to think about how this picture can help you articulate your talents to potential employers and volunteers.

Session 3 Teambuilding - Building on the Gifts of Others **August 21, 8:30am-11am**

Your unique combination of strengths can be an asset and a challenge to team members. Help yourself to understand and develop your strengths and work effectively with others by understanding their gifts and needs.
