

# **Marketing Your Business - Offering opportunities for you to be more visible...**

**Sponsorships - There is no finer way to market your business than by sponsoring programs at the Greater Brighton Area Chamber of Commerce. Whether it is business or community related, the Chamber's sponsorships offer tremendous marketing opportunities for the visibility of your business.**

**Publications - The Chamber produces one publication during the year, the Membership and Community Guide, where members have many advertising opportunities!**

**Website - Members are invited to fully enhance their web landing page on the Chamber's website as part of their membership package. This opportunity offers great exposure for member businesses and helps to increase the member's SEO.**

**Referrals - The Chamber offers opportunity for countless referrals through phone inquiries, our websites, e-mails, e-referrals, Greater Brighton Area Chamber of Commerce Membership Directory, and sponsorships.**
