

The Chamber has a very successful Member-to-Member Discount Program. There are many members in the GBACOC that offer discounts to other members. If you are interested in offering a special discount to other members, sign up to manage your business listing on our website directory, where you can add your discount, and make other changes to your listing. If you have not registered a password for your account, please contact our Web Master Jenny McKindles at [info@brightoncoc.org](mailto:info@brightoncoc.org)

If you want to take advantage of a member discount, just show your Chamber Member-to-Member Discount Card to the participating merchant. These cards are found on-line when you login.

Remember...these discounts are not only good for you, they are good for your entire full time staff as well! The member-to-member discount program is an excellent way to support Chamber members and the local economy alike. To see all the savings click [HERE](#) or click on the M2M icon on the bottom of the website.
