OUR REACH

With over 60,000 unique monthly visits, the recently redesigned PasoRoblesChamber.com/VisitPaso.com is one of the highest trafficked sites in the county and continues to serve as one of the most comprehensive local directories and informational resources. Website banner ads are one of the best ways to get your business in front of thousands of potential customers.

Our eFlyers are 8.5x11 flyers distributed digitally every Friday to over 5,500 recipients. All eFlyers are simultaneously published on the Paso Robles Chamber of Commerce facebook page and are linkable to your website.
