

Canada's No. 1 Employee Benefit Plan for Small Business

Our group insurance plan is directed by the Chamber Insurance Corporation of Canada, a non-profit organization.

The Plan

- Covers businesses with up to 50 employees, including one-person businesses
- Is open to all industries
- Never targets an individual business for a rate increase or cancellation
- Offers a full range of benefits, including coverages normally reserved for "big business"
- Pools claims for price stability

Flexible Options

- Life insurance/accidental death & dismemberment
- Short-term disability
- Long-term disability
- Dental - basic, major and (for businesses with 10 or more people) orthodontics
- Health - semi-private hospital, prescription drug, out-of-country, paramedics, vision care
- Employee assistance counseling
- Registered retirement savings plan
- Best Doctors - access to the best medical expertise available with its extensive network of over 50,000 doctors
- Business Overhead Insurance

Outstanding Service

- A comprehensive administration guide
- Clear, easy to use forms
- Toll-free phone and fax line access to our national service centre, available to everyone in your business
- Health and dental payments typically processed within 48 hours of the time we receive the claim
- Direct Deposit
- Electronic processing of many claims

You Can Sign On

If your year-round business has been operating for at least 6 months, you're eligible to apply. While your firm is covered, it must be a paid-up member of the Kanata Chamber of Commerce. In firms with 3 or more people, everyone is guaranteed for coverage. In firms with 1-2 people, each person completes a health questionnaire for review by the insurer. For more information, please contact Heather Allin at 613-253-2410 ext. 104.
