

Open For Businesses. Businesses Like Yours.

VALUABLE BENEFITS

For your business... and your employees.

Save on merchant processing - or pocket \$250!

Our Meet or Beat Challenge is a get-acquainted offer that's hard to top. In fact, we're so sure we can meet or beat your current net processing costs that – in the unlikely event we can't – Capital Bankcard will write you a check for \$250.¹

Checking accounts that fit the needs of your business.

We have the perfect checking account to fit your business needs. Plus, if you're concerned about replacing your checks, don't be, because we'll help with that too.²

Whether you're large or small, for-profit or nonprofit, our accounts are packed with benefits that make sense for the kind of business you're running. Accounts feature online access, remote deposit, credit card processing services, payroll and compliance services, and fraud deterrence.

Extra rewards just for your employees.

Bring the bank to your office! We partner with you to offer big-time benefits to your single biggest asset – your employees. Perks include a great checking account and a cash incentive to employees who have their paycheck directly deposited,³ a \$100 discount on mortgage application processing fees and a free safe deposit box for 1 year.⁴ It gets even better! This valuable partnership also includes access to helpful information presented in person on hot financial topics including money management, home buying tips, identity theft protection and more.

Ready to make a move? Make the right one.

Open your business account today at Savings Institute Bank & Trust. For more information, visit www.savingsinstitute.com/your-business or stop by your local branch. It's time we got down to business!

1: This promotion only applies to the overall net processing costs. It is exclusive of terminal or equipment costs. TWO consecutive months of your current merchant processing statements (all pages, front & back) must be submitted in order to qualify. 2: Our check 'buy out' offers a credit of up to \$150.00 to business owners for their first check order. For more information, please call 800-423-0142. 3: Payroll check must be directly deposited into Savings Institute checking account within 60 days of account opening to receive bonus. Bonus will be deposited into account after first payroll check is directly deposited into account. Value of bonus is \$50.00 and will be reported as interest earned and included on a 1099-INT that you will receive from the bank at year end. Cannot be redeemed for cash. 4: Safe Deposit Box free for 1 year from opening of box. Offer for new Safe Deposit Box customers only and may be withdrawn at any time without notice. Limit 1 Box per household. Sizes and availability will vary depending on office.
