

DISTRICT OFFICE AND SCHOOL CLOSURE

(updated: April 9, 2020 at 3:15 pm)

Please continue to check this website for school closure updates. Due to limited staff, please email general school closure questions

to: info@santeesd.net or leave a voicemail at (619) 258-2300.

We hope this update finds you and your family healthy and safe. As promised, we will launch our remote learning plan on Monday, April 13, and this plan will continue until returning to school has been deemed safe for everyone. We are very hopeful that if each of us continues to do our part in practicing social distancing by staying at home, allowing sufficient space between us, and wearing facial protection as recommended, we will be able to return to our schools before June 10. We haven't

given up that hope and we hope you haven't either.

Please read, and follow the links below, for the most current information on remote learning, iPad pick-up, and student meals:

1. **[Santee School District's Remote Learning Program](#)**

Two weeks of content has been provided so students and teacher can all learn how to work and communicate remotely before your student's teacher launches his/her own instructional program. This site outlines, very specifically, how to access learning content for the next two weeks.

2. **[iPad pick-up procedure for Monday, April 13.](#)** This is applicable to those who requested pick-up of their child's iPad through the Student Technology Needs Survey. The survey deadline was Thursday, April 9, at 3:00 pm.

3. Student meals will continue to be provided to our students until further notice. Meals may be picked up from 9880 Riverwalk Drive, Monday - Friday, 11 – 1 pm. As of Tuesday, April 14, meals may also be picked up from PRIDE Academy School, 9303 Prospect Avenue, Santee, Monday - Friday, 11 - 12:30 p.m.
