Carpinteria Valley Chamber of Commerce Professional Ambassador Commitment Application

Being in business is a full contact sport, and the Chamber is the perfect place to gain strength by growing contacts for your business or profession. Key contacts can be very limited if you stay in your office or store all the time. Make time - get in the game.

Brief outline of previous experience _____

Our Professional Ambassadors are the goodwill arm of the Carpinteria Valley Chamber. Being involved is a great way to meet Chamber members (approximately 350 businesses members)-ALL POTENTIAL NEW CLIENTS FOR YOU-so put on a cheerful smile and welcome all of our members. The first impression of the Chamber faces is of the most upmost importance – a true reflection of who we are.

The Professional Ambassadors are charged with extending the hand of friendship to both new and current members, greeting them with a hearty handshake and award-winning smile, making welcome calls, assisting with ribbon cuttings, and attending (and assisting) with Chamber events. Meeting new people and visiting member businesses i.e. getting to know the intricacies of their business so that you can refer them are all part of the responsibilities of our Professional Ambassadors.

Our most satisfied members seem to be those who participate in our chamber programs, partake in various committees and who use the Chamber as a source of information. Be on the Scene with us!

I am most interested in assisting with:

- Mixers
- Legislative Breakfasts
- Ribbon Cuttings/Anniversary Celebrations/Office Warmings
- Annual Events (State of the City/Annual Awards Meeting, etc.)
- Avocado Festival
- Welcome Phone Calls & Red Carpet Member Visits
