About the Carpinteria Valley Chamber of Commerce

Cultivating | Connecting | Creating | Cultivating

The Carpinteria Valley Chamber of Commerce is a 501 C (6) non-profit organization. The Chamber works hard to create a strong local economy by representing business to government, promoting the community, providing networking opportunities, and supporting a sustainable future for business and economic development. Community Unity is clearly evident by the dedication of our 325+ members that partner with us to present a vibrant business community. Together we are dedicated to the promotion, quality of life, and enhancement of the Carpinteria Valley.
