

The Good Life Expo Non-Profit Scholarship Application

We want all of our members to be able to join us for community events. We know that the vendor fees associated with The Good Life Expo may place a bit of a burden on the budgets of our smaller non-profit, therefore a scholarship option has been created. Our committee will award three (3) scholarships to non-profit organizations who complete the below application and submit it for review by October 6th, 2017. Scholarship recipients will receive one (1) exhibitor table at the event free of charge. Note: Electricity is available on a limited basis for an additional charge of \$25.

Scholarships are available to Chamber members only.
