Dear Exhibitor

We are pleased to advise you that Page & Brown Convention Services will be assisting in the arrangements for your upcoming show. We will assist you in every way possible to insure a successful presentation.

Booths are 8'x 10' and will include the following provided complimentary by the Lake Area Chamber

- A. 8' high backwall of drapery material
- B. 3' high sidewall of drapery material
- C. (1) 6ft skirted table / you may request instead a 4ft or 8ft skirted table in advance , see below
- D. (2) chair
- E. (1) 7" x 44" exhibitor identification sign
- F. (1) wastebasket with liner

Your booth will come with a 6ft skirted table unless you indicate otherwise, in advance. If you would prefer a 4ft or an 8ft skirted table you may fax or email the attached rental equipment form with a note indicating your preference. We request this be done in advance not during the move in.

Electric service (110 volt dual outlet - up to 5 amps / 600 watts) should be ordered in advance if required. The advance price for this service is \$45, or \$60 at the show. If your booth requires more than 5 amps / 600 watts of service, you will need to order 20 amps / 2400 watts of service.

Popcorn poppers, vacuum cleaners require a 20amp direct line. Please order the required electric service to avoid breakers tripping. Last minute issues.
