## Leadership in the Valley Program Features Community Projects

March 2019 Stillwater, Minnesota– The Greater Stillwater Chamber of Commerce recently announced their program, *Leadership in the Valley*, that will be launching Fall of 2019.

As part of this program small groups will be working on projects for local non-profits.

We are reaching out to local non-profits, asking you to apply for the opportunity to have a small group of community leaders work on a project for you.

Are you a non-profit organization located in the St Croix Valley?

Do you have a project you have been wanting to do but don't have the time or resources?

Your project must fit into one of these categories:

1. Providing basic needs and financial stability
2. Youth – promote thriving children
3. Health – Improve health for our most vulnerable population
4. Self-sufficiency, restore independence, and connect people to services they need...or
5. Other – projects that promote positive outcomes for the community such as
  - >Art
  - >Environment
  - >Community events
  - >Volunteer program

**If this fits you and your organization, we are asking for you to apply for the opportunity for a small group of community leaders to work on that project for you.**

You can find the application to submit your project for consideration [HERE](#).

Deadline to apply is August 1<sup>st</sup> to apply. If you have questions or would like to speak to one on our committee members directly contact the Greater Stillwater Chamber of Commerce at 439-4001 and a representative of the Community Project committee will be in touch.

We look forward to working with you to make progress on a project that has been on your mind, can make a significant impact on your clients and help our community thrive.
