Our Mission

To serve as an advocate for new and existing businesses in the County, while providing member benefits designed to promote, inform, and enhance our local and regional economies.

“Joining the Perry County Chamber of Commerce was one of our best business decisions. Since we are new to the area, we wanted to introduce ourselves to the community. Instantly we were welcomed like family! We found a terrific lawyer from the chamber that has been a huge help in setting up our new business! We love Perry County!”
