

What is Local Loot?

Local Loot is the new name for our existing Community Investment Program (CIP), which allows participating Chamber businesses to accept universal gift certificates that are sold by the Chamber of Commerce.

How does Local Loot work?

Local Loot gift certificates can be purchased during normal business hours at the Chamber of Commerce Information Booth in New London. They are available in \$10 and \$25 increments only, but multiple certificates can be issued for larger requests.

Participating businesses accept these gift certificates *as cash*, and issue change accordingly (this is why we only issue the certificates in smaller denominations).

How do businesses get reimbursed?

Once a business has received Local Loot, the gift certificate just needs to be presented to the Chamber of Commerce, and a check will be issued for the exact dollar amount of the certificate. It's that easy!

What do I need to do to get started with the Local Loot program?

Nothing! As a Chamber member, you will automatically be able to accept Local Loot gift certificates, unless you choose to opt out of the program. Contact Ashlee to opt out of the Local Loot program.

Just another great way to promote our local businesses!
