**Q2**

If you make it past the primaries, do you intend to attend the 2021 Public Officials and Candidates Night Reception from 5:00pm to 8:00pm on Wednesday, September 22, 2021?

Yes, I intend to attend the event and have blocked out the time on my calendar

**Q3**

Why are you running for elected office?

Because I want to even the scale. I want people to have the same access to opportunities for a better life. As a business owner, I had to help people who experience unfair situations. I want people to feel confident enough to navigate the system and contribute to their community.

---

**Q4**

What do you consider to be our community's top challenges?

Housing, Safety, and Education. I believe if education is fixed, the others will be fixed as well. The majority of crime and homeless issues start in childhood and get worse over time. With better education, and better jobs, we can connect people to jobs and help them contribute to Burien.

---

**Q5**

How will you work with the business community to find solutions?

I will support the business community with their issues. As vice-president of Empresarios Unidos, I have been on top of the main issues and concerns of public safety. I will support patrols to keep businesses safe during closing hours, work with the police to decrease response times, and take action on reports to discourage crime and vandalism in our city.
