Yes, I intend to attend the event and have blocked out the time on my calendar

Q3

Why are you running for elected office?

I am running for re-election because I believe in the power of coalitions to get things done, and that local government works better (for all of its community members) when elected officials value collaboration.

Q4

What do you consider to be our community's top challenges?

I believe our top challenges are housing and homelessness, public safety, and small business support as we come out of the COVID-19 pandemic.

Q5

How will you work with the business community to find solutions?

I am committed to making sure that our Business & Economic Development Partnership members are Burien business owners first and foremost, as they are the ones invested in our community. I will work with the business community as I have over the past four years to implement programs that can be useful tools for our businesses, in collaboration with City services, public safety, and nonprofit partners.
