Q2

If you make it past the primaries, do you intend to attend the 2021 Public Officials and Candidates Night Reception from 5:00pm to 8:00pm on Wednesday, September 22, 2021?

Yes, I intend to attend the event and have blocked out the time on my calendar

Q3

Why are you running for elected office?

I am a 19 year resident of Boulevard Park in north Burien. I've raised my family here and give my time to Burien, volunteering overnight in our homeless shelters, sitting on our Parks Commission, co-founding and co chairing ACLU Burien People Power. I am involved in Climate Activism, volunteered for school and scouting, and co-founded Burien White Center Community Support network. I shop at Burien's farmers' market, eat in our many restaurants and beachcomb at Seahurst park. I love Burien's downtown, parks, beaches, and most of all, our community. I feel ready to take a step further in support of my community and run for office to represent this town I care about.

Q4

What do you consider to be our community's top challenges?

Housing security, safety, environment and infrastructure

Q5

How will you work with the business community to find solutions?

I believe part of the answer to all of these questions is building robust neighborhoods within and beyond the downtown core. Burien's neighborhoods need business development, I will work to prevent food deserts and lobby to have more community based business development. This will support more housing density in these neighborhoods, and I the jobs and housing will stabilize our community and reduce crime. Our downtown businesses need to expand into 153rd street, and Burien needs to revisit the issue of parking to reduce the burden on businesses, perhaps with a single municipal parking structure and a 152nd street shuttle.

Q6

Where can your constituents find more information about you and your campaign?
