Q2

If you make it past the primaries, do you intend to attend the 2021 Public Officials and Candidates Night Reception from 5:00pm to 8:00pm on Wednesday, September 22, 2021?

Yes, I intend to attend the event and have blocked out the time on my calendar

Q3

Why are you running for elected office?

Tukwila City Council - Position #3

Q4

What do you consider to be our community's top challenges?

1) Public Safety - We need our public to feel safe in homes, at work, and in public places. Shared experiences are what tie a community together, and opening up to share our diversity and passion will only happen when people feel safe. 2) Collaboration - We seem to be losing the ability to listen to what other people are trying to say. We need more honest, thoughtful, considerate conversations to make decisions about our future in truth. 3) Equity - We still have systemic issues that deny equity and opportunity.

Q5

How will you work with the business community to find solutions?

I will start by listening and making sure we agree to the problem we are trying to solve. As an incumbant, I have already established some relations with Tukwila's business community, and going forward I will continue to grow those relationships. I am always open to meeting business owners and creating a culture that offers them success.
