

Career Showcase at the Accesso ShoWare Center

We are pleased to let you know that the Career Showcase at the Accesso ShoWare Center is scheduled for April 25th, 2024. This event, which started in 2019, has been a major success over the years because of the financial contributions from our sponsors.

This event has brought over 100 employers such as City of Kent, Sound Transit, Boeing, Alaska Airlines and several other of the largest employers in our region together. Along with apprenticeship programs, military opportunities and much much more this has been the largest gathering of career opportunities for our youth to explore in the region for the past several years.

Several different school districts have brought their students as young as middle school to this event that has drawn well over 1,000 students each and every year. In partnership with the organizations listed below, we look forward to this year's career fair and educational summit that is attended by some of the brightest minds in our educational system.

This event is a hit for the students and all we hear from the districts is how students look forward to it every spring.

Can we count on your support for this great event in 2024 and into the future as we look for ways to build this thing even bigger into the future.

Lunch Sponsor: \$10,000

Gold: \$5,000

Silver: \$2,500

Bronze: \$1,000
