

The Logan County Chamber of Commerce Presents

# LEADERSHIP LOGAN

## PROGRAM INFORMATION & APPLICATION

Logan County, rich in heritage, tradition and natural beauty, offers residents an array of services, entertainment, and opportunities for growth and fellowship. From Logan County's original land mass, 28 counties have been formed in whole or in part; regional, state, and national leaders have emerged; the Great Revival of 1800 took place; a colony of Shakers made their home; colleges were formed; rich soils have resulted in a strong agricultural economy; four incorporated cities have grown in size and diversity, and we are now making our way through the 21st Century.

Come, learn about the great wealth of natural resources, people, and organizations that make the quality of life in Logan County second to none! Leadership Logan is for the individual who wants to:

- Learn more about Logan County
- Help improve our quality of life
- Become more involved and informed
- Work with a spirit of unity and cooperation toward the overall goal of preservation and progress
- Evaluate the climate for doing business
