

FORWARD VERMILION AWARD

“forward thinking company that embraces the unique Vermilion culture and exemplifies what it means to live, work and play in Vermilion Parish”

Eligibility Requirements

Please tell us why the Forward Vermilion candidate you are nominating stands out. What makes your candidate special? What has the company accomplished — and why is that accomplishment significant?

Winners will be announced in early January 2018. They will be featured at length in a special publication in the Abbeville Meridional and honored at our Membership & Installation Banquet in January 2018. (all dates subject to change)

To be eligible, candidate(s) must be a member of the Vermilion Chamber of Commerce and do business in Vermilion Parish.

Nominees with repeat submissions will not have advantage over those with one nomination. The selection process is not swayed by the number of nominations an individual or company receives. Nominations are anonymous and letters of recommendation are not required.

If you have any questions, please contact Lynn Guillory, Executive Director of the Vermilion Chamber of Commerce 337) 893-2491.
