

Pam Giannonatti

Kroger Corporate Affairs Manager

Fry's Food Stores Division

Pam Giannonatti has been an associate at Fry's Food Stores for more than 35 years. During her tenure with Fry's, she has held several positions throughout the company – from bagging customers' groceries and training future leaders, to helping Fry's make the communities it serves a better place to live and work in.

Her company's Purpose is to Feed the Human Spirit and she follows this daily. As the Kroger Corporate Affairs Manager for the Fry's division, she continues to build strong relationships with our Arizona community, working hand-in-hand with non-profit groups and other partners to make a difference. Pam is an avid volunteer, leading many of Fry's volunteer efforts including serving meals at the St. Vincent de Paul's Family Dining Room, filling emergency food boxes at local food banks, having fun with the athletes at Special Olympics Arizona Summer Games and leading many Fry's volunteers at the American Cancer Society Making Strides Against Breast Cancer events.

As an active community leader, Pam has many affiliations with a wide variety of organizations including: member of Big Brothers Big Sisters of Central Arizona Board of Directors for the past 4 years, Community Advocate for the Junior League of Phoenix, and member of the Advisory Council for Special Olympics Arizona, USO, and works closely with the state's Feeding America Food Banks, supporting Fry's/Kroger's Zero Hunger / Zero Waste 2025 initiative. She also is a very proud Valley Leadership Alumni and remains involved with the annual Man and Woman of the Year luncheon.

In 2016 she received the Amazing Rewards, AMAZING WOMEN recognition from National Bank of Arizona and Phoenix Suns and Certificate of Appreciation for being a Community Ambassador for the Junior League of Phoenix and USO Arizona. She was honored to receive an "Above and Beyond" award from Fry's Food Store's President. It is one of the highest honors the company bestows.

While this is all very important to her, her true pride and joy and most important role in life is caring and being with her family. Being married to her husband Mark nearly 35 years and being blessed with four lovely and bright children; two boys and two girls, from ages of 23 to 31 years old, along with three beautiful grandchildren. Day in and day out Pam's heart is always where it needs to be, with her husband, children and grandchildren.
