The Sullivan County Chamber of Commerce and Industry is here to promote, support and advocate on behalf of our business community. The Chamber, when formed in 1974, began as an advocacy group to combat escalating gasoline prices and their effects on the tourism industry. The Chamber has continued that tradition while expanding the Chamber's profile, reach and member base.

BOARD SEATS: Are you looking to promote change? Have your voice heard? You too can become a contributing factor to the forward motion of business development and retention in Sullivan County. Each year we look to our community and Chamber members to submit a letter of interest to become a Board member. Board members are an integral part of the Sullivan County Chamber of Commerce. Their volunteerism and participation is essential to the Chamber's evolution and success.

COMMITTEES: Each year we look to our board members and membership to volunteer their time to sit on specific committees of the Sullivan County Chamber of Commerce.

These committees include (but are not limited to):

Membership

Products & Services

Finance

Publicity/Marketing
