Chamber of Commerce Foundation**

17th Annual Culinary Delights Fundraiser

Join us for a fabulous evening, tasting the finest cuisine & spirits Long Island has to offer!

Raffles, Door Prizes & More!

To Benefit:

East Meadow Chamber of Commerce Foundation: Run by the local businesses that make up the Chamber, the EMCOC Foundation, a 501c3, is focused on giving back to the community through fundraising efforts and contributions to community based programs and events. These include East Meadow Community Pride Day, town-wide holiday beautification programs, improvements to our local Town Square, Scouts programs, youth athletics, senior & veteran based programs, and annual scholarships to graduating high school seniors.

America's VetDogs: Founded by the Guide Dog Foundation for the Blind in 2003 to help those who have served our country honorably live with dignity. Service dogs are specifically trained to help mitigate disabilities for veterans with various injuries and impairments, including post-traumatic stress disorder. Service dogs are provided at no cost to veterans of all eras, active military personnel, first responders & others wounded in the line of duty. With an assistive dog by their side, no hero is ever alone.

Kiwanis of East Meadow "Kamp Kiwanis": EM Kiwanis strives to fulfill the Kiwanis vision of changing the world, one child and one community at a time. Each year, EM Kiwanis sends 36 children to a week of sleep away camp at Kamp Kiwanis in Upstate NY. This program is aimed at providing fun, physical exercise and adventure, encouraging and developing character, leadership and fair play. The program is designed to mainstream all children, including up to 20 each session with special needs.

Nassau/Suffolk Autism Society: Celebrating its 53rd Anniversary, NSASA is a grass roots group completely dedicated to helping more than 2000 families and individuals with autism here locally on Long Island to become fully participating members of the community. NSASA hosts more than 100 social events each year and donates iPads to programs dedicated to autism that have children/adults that cannot verbally communicate, giving them a voice. All funds raised stay in the community.

NUMC Pediatric Department: The PCP's at NUMC encourage healthy habits to keep children healthy and active, providing services for all children in Nassau County from newborn to 20 years of age. NUMC also provides state of the art care in the pediatric emergency room and inpatient pediatric ward. Funds raised go towards purchasing medical items as well as bedside video game systems to lessen a child's fear of being in the hospital and have also allowed this department to refurbish the pediatric waiting room.

50% of all proceeds from ticket sales & tickets included in sponsorships to benefit charities listed. Remaining event proceeds to benefit EMCOC Foundation, a 501c3 non-profit organization. Your contribution is tax deductible as allowable by law. Thank you for your support.
