ELITE BUSINESS

WHEAT RIDGE CO-OP

Wheat Ridge is a great place to live and work. We have good schools, we are close enough to Denver to create an easy commute and our neighborhoods are

diversified and unique. Our roads are in better condition than many areas of Denver and there is community pride shown in very many ways. As President, it is my desire to create a Chamber that is an important and very visible part of this growing and changing community. We exist to help the businesses of Wheat Ridge by providing resources that are easy to find and easy to use. Our members work together sharing experience, knowledge and expertise with other members and take time to get to know each other in a casual and relaxed environment. If you are an established, successful business, you will find opportunities to work with those less established who can benefit from your experience. If you are not an established business, you can find others who are willing to share their experience. Through active participation in the Chamber, we work together to create a successful and profitable business environment for everyone in Wheat Ridge.

Stinker Stores Support Family Tree

During the month of April, if you visit a Stinker Store you will have the opportunity to buy a piece of hope for a child! It's Child Abuse Prevention Month, and Stinker is helping Family Tree provide child and families services.

For a small in-store donation, you can purchase and customize a piece of hope puzzle piece as part of a larger, collective "Bigger Picture," of hope. If you participate at one of the 22 Front Range stores, you will directly support Family Tree!

Coffee with the Mayor

Coffee with the Mayor will **not** be held in April due to the Easter Egg Hunt in Panorama Park scheduled at the same time. Please bring your friends and family to this annual event. Click [HERE](#) for more information.
