Why should I become a Chamber Member?

For a synopsis of benefits the Rhinelander Area Chamber of Commerce can offer your business, visit our Member Benefits page.

How are membership dues calculated?

For most business, the Fair Share (traditional) dues structure is used. This dues structure is based on business size where each member business pays dues based on the number of full-time equivalent employees.

Lodging facilities, non-profit organizations, and independent persons fall under a different dues structure.
