HIGHER LEVEL
10665 Merritt Street
Castroville, CA 95012
(831) 453-7180

Founded in San Diego in 2010, Higher Level has been committed to providing second to none medicine and customer service to its members since its inception. In early 2015, after seeing a major void in the availability of Safe Access for MMJ patients in Monterey County, its founders (all from the Monterey Peninsula) decided to refocus their efforts and opened the newest Higher Level Collective in June of 2015.
