THE OSTEOPATHIC WAY

199 17th Street, Suite J
Pacific Grove, CA 93950

The Osteopathic Way is a new medical practice in Pacific Grove that uses the century old technique of Osteopathic Manipulative Medicine combined with cutting edge Regenerative Medicine to help heal patients. Drs. Fischer and Knight use their hands to evaluate and treat a wide range of musculo-skeletal conditions. If they need to further treat their patients they use injectable substances that help regenerate tissues, including Prolotherapy, Platelet Rich Plasma, and Stem Cells.
