

We are now taking nominations for the L.A. Dysart Award

We are now accepting nominations for this years' L.A. Dysart Award. It is the highest recognition any citizen in Caldwell County can achieve. This award was established to recognize an individual who exhibits outstanding citizenship as evidenced by their community service. Outstanding citizenship can be evidenced in diverse ways but most often includes service to the community through volunteerism.

This award is open to any resident of Caldwell County. Two awards are presented – one male and one female. Award recipients are recognized at the Chamber's Annual Dinner held on February 5th, 2019.

The Dysart Award recipients are selected based on their non-paid contributions as a citizen of Caldwell County without consideration of the duties they might perform for personal financial gain.

Please give this some thought and submit your nomination form and narrative by our deadline, **JANUARY 9th**, to joan@caldwellchambernc.com, mail or drop them off in person at the Caldwell Chamber of Commerce.
